ABOUT THE AREA

Kwakunje is located in Dundee, a small town in the second biggest province of South Africa, called KwaZulu-Natal. Dundee is also a perfect stop on your way between Johannesburg and Durban or the Drakensberg and St. Lucia.

Situated on Talana Hill, right next to the famous Talana Museum, it is located in an area of historical importance - the Battle of Talana Hill took place in 1899 and can be seen as the first major clash of the Second Boer War.

Some of the most famous battlefields of South Africa can be reached within a short driving distance: Blood River, Isandlwana, Elandsplaagte, Spioenkop and many more.

Beautiful Game Reserves are just around the corner, like the Ingudlane Game Lodge, only 1.9 km away, or the Nambiti Big 5 Private Game Reserve, 50.8 km south of Dundee.
